

## **FEATHERED HOOK RULES AND REGULATIONS**

All Feathered Hook Fishing Club (“Feather Hook”) members agree to comply with these rules and regulations when they sign their membership agreement. Failure to adhere to the following regulations can result in membership termination and, in the case of trespass, criminal prosecution. Feathered Hook reserves the right to change any of its rules and regulations at any time. All such changes will be made effective when published on the Feathered Hook app or website, or through other means of written communication to its members. Members are responsible for checking the Feathered Hook app and website for updates immediately prior to fishing on Feathered Hook properties.

**RESERVATION REQUIRED.** Members must use the Feathered Hook app to reserve a Feathered Hook fishing location before fishing. Locations can be found within the app and website. Reservations are on a first come first serve basis, and availability may be limited. Feathered Hook reserves the right, in its sole and absolute discretion, to limit the number and character of reservations available to members at any particular time. At the time of reservation, the member will receive an e-mail confirmation and confirmation number. This confirmation number must be displayed on the dashboard of the member’s vehicle. This confirmation identifies Feathered Hook members to the landowner and verifies their right to enter Feathered Hook sites. Any person on Feathered Hook sites without a valid reservation and authorization number will be guilty of trespass and will be subject to criminal prosecution. Entering Feathered Hook sites without a valid reservation and authorization number is also grounds for membership termination. No fees or other payments to Feathered Hook will be refunded if membership is terminated.

**RESERVATION TIMES.** Members may reserve fishing locations in full-day increments, with fishing hours beginning at sunrise and ending at sunset.

Any member on a Feathered Hook property outside of the time frame of a valid reservation is trespassing and will be subject to criminal prosecution. Entering Feathered Hook sites outside of the time frame of a reservation, or without a valid reservation and authorization number, is also grounds for membership termination. No fees or other payments to Feathered Hook will be refunded if membership is terminated.

**RESERVATION CANCELLATION OR MODIFICATION.** Because Feathered Hook fishing locations are limited and are in high demand, members are encouraged to cancel or modify any reservations as soon as it is known that the member will not be utilizing the initial reservation.

**NATURAL AND WEATHER CONDITIONS.** Feathered Hooks in no way guarantees that natural or weather conditions will be suitable for fishing for any location at any time. Upon making a reservation, each member is acknowledging that it is assuming all risks that they may not be able to fish, or have a successful fishing experience, due to natural or weather conditions

or other conditions outside of the control of Feathered Hook. Members are instructed to investigate and use good judgment to avoid dangerous natural or weather conditions when making reservations and attending a particular Feathered Hook location. Members assume all risks of inclement weather, including those of financial loss, inability to fish, and bodily injury, when fishing on Feathered Hooks locations. No member shall be refunded any fees or other amounts paid to Feathered Hook by reason of inability to fish or lack of fishing success.

**LAWS, RULES AND REGULATIONS.** Members agree that they are solely responsible for abiding by federal, state and local laws, rules and regulations (collectively, “Laws”) at all times. Feathered Hook does not warrant or guarantee that any particular water is open and available for fishing at any time, or that the ability to make a reservation on a Feather Hook app or website means that such water is open and available for fishing. It is the responsibility of any member making a Feathered Hook reservation to confirm that the member is complying with all Laws, including, without limitation, Wyoming Game and Fish Department rules and regulations relating to season dates and species bag limits, prior to entering and fishing on a particular property.

**MINORS.** All persons under 18 years of age must be accompanied by a supervising adult when visiting Feathered Hook locations. No adult may supervise more than two minors at any given time.

**CATCH AND RELEASE.** All fishing at Feathered Hook locations is catch and release only. Members must ensure that they quickly and ethically net and release each fish back into the water. Members may take a brief moment to photograph a particular fish, provided the fish is healthy and the circumstances allow for an ethical release of the fish thereafter. Members are welcome to submit photos to Feathered Hook to be displayed on Feathered Hook app and website. Notwithstanding the foregoing, harvesting a particular species or size of fish may be encouraged, or even required, on some Feathered Hook properties. In each instance, the harvest information will be conspicuously posted on one or more of the Feathered Hook app and website or by physical signage posted at the applicable location.

**ARTIFICIAL FLIES ONLY.** Only single-barb, artificial flies are permitted while fishing on Feathered Hook locations. Members are encouraged to use barbless flies, but are not required to do so unless otherwise posted on the Feathered Hook app or website or by physical signage at a particular location. Live and artificial bait are prohibited.

**GATES.** Some Feather Hook locations contain gates. Gates are used to keep trespassers out and livestock within an enclosed area. All gates, whether open or closed, must be left in the same condition in which a member finds them, unless clear signage posted on the gate indicates the land owner’s instructions (such as a conspicuous sign stating, “Keep Gate Closed”). If a gate is locked, Feathered Hook will provide key or combination information in the reservation confirmation e-mail. Members should re-lock all locked gates.

**CROPS, LIVESTOCK AND WILD GAME.** Many of our sites are located on agricultural land, or are active hunting reserves. Do not tamper with any agricultural equipment or crops. Members should stick to defined trails, paths and roads, and should avoid impact to crops if at all possible. Members should not approach any livestock or wild game that may be at the fishing location.

**NO HUNTING.** Absolutely no hunting privileges are included in Feathered Hook membership. Members shall not kill, hunt, stalk, harass or otherwise disturb wildlife of any type.

**NO DEADLY WEAPONS.** No person shall possess deadly weapons on any Feathered Hook location unless expressly authorized in writing on the Feathered Hook app or website, or by physical signage posted at a particular location.

**NO ALTERATIONS.** Members must not remove anything from, or otherwise permanently alter, any Feathered Hook fishing location. Members shall not remove rocks, foliage or wood from a location. Members must not tamper with or otherwise disturb any manmade artifacts and structures on a location. Members will be personally responsible for any damage they cause to a Feather Hook fishing location.

**FOOD AND BEVERAGE.** Unless otherwise indicated for a specific Feathered Hook location, members may bring food and beverages, including reasonable amounts of alcoholic beverages, provided that no food, beverage or debris is left behind.

**DEBRIS.** All items packed in by a member must be packed out by the member. In no instance may a member leave litter, trash or other debris on a Feathered Hook location. Members should plan appropriately to ensure no item is left behind. Members are encouraged to contact the Feathered Hook reservation staff to report litter left at a location. If Feathered Hook is able to identify the member who left the litter, such member will be fined an amount deemed appropriate by Feathered Hook. Failure to pay the fine, or a repeated littering offense, will provide cause for membership termination.

**CAMPING AND CAMP FIRES.** Unless otherwise expressly authorized on the Feathered Hook app or website, or by physical signage at a fishing location, camping is prohibited on all Feathered Hook locations. No camp fires or open flames are allowed under any circumstance. If camping is permitted at a particular location, any member desiring to camp is responsible for investigating the permitted campsite and preparing accordingly.

**SANITATION FACILITIES.** Sanitation facilities may or may not exist on a particular Feathered Hook location and may be subject to change. Members must practice proper wilderness sanitation disposal at all times. All human waste and toilet paper should be removed from the property.

**LOCATIONS ARE PATROLLED.** Feathered Hook security and land owners will check to make sure that the only persons on the property are members and guests whom are listed on a valid reservation and can provide confirmation. Failure to comply with this will result in immediate expulsion from a location. Members must comply with all reasonable requirements and lawful requests of a patrolling party. Members may submit feedback about any incident with a patrolling party after exiting the location.

**MEMBERSHIP TERMINATION.** Feathered Hook reserves the right to terminate the membership of any member with or without cause at any time by notifying the member of the termination in writing. Failure to abide by these rules and regulations will provide cause for membership termination. If membership termination occurs for cause, no fees or other amounts paid to Feather Hook shall be refunded.
